

Price List 2017/18 (ex VAT)

C-QAS is a subscription service with an annual fee payable each April. Participants joining part way through the year will pay the annual rate pro-rata from the month of registration.

The categories of subscription are shown below. Discounts may be available, please enquire. If you have requirements for EQA of a different combination of biochemistry and haematology analysers to those below please email us at c-qas@sac.co.uk for a price.

Please note that where a practice has a biochemistry and a separate electrolyte analyser at the same address, the two analysers are considered as one analyser for invoicing purposes although they will be reported as separate analysers.

1. Single biochemistry analyser £160/y
2. Single haematology analyser £160/y
3. Biochemistry and a Haematology analyser at the same address £240/y
4. Second and subsequent biochemistry or haematology analyser at a branch surgery £100/y/analyser
