

International Qualifications: Undergraduate Courses (Higher National Certificate (HNC) level and above)

Due to the range of overseas qualifications, potential applicants are advised to contact the Admissions Team with full details of their qualifications and the course they wish to apply for so that advice may be given. The easiest way to do this is by email: admissions@sruc.ac.uk

As all teaching, learning materials, and assessment is in English, competency in written, spoken and the understanding of English must be demonstrated. SRUC prefers the Academic IELTS exam as proof of English language level, but we will accept a range of equivalent qualifications. Details of competence required are available on the following website:

www.sruc.ac.uk/englishlanguage.

SRUC uses the UK ENIC (www.enic.org.uk) to assess the equivalence of overseas qualifications.

Standard Entry Requirements

The minimum general entry requirements for Higher Education courses, in terms of UK qualifications, are outlined here.

Literacy and Numeracy

All applicants are normally expected to have a National 5 qualifications (A-C), GCSE (4-9) or equivalent pass in English, as evidence of literacy skills, and in Mathematics or equivalent, as evidence of numeracy skills.

Standard Entry Requirements for Degree courses:

Applicants must hold a minimum of 4 Scottish Highers (Grades BBCC), 3 A-Levels (Grades BCC), or equivalent qualification. Specific subjects may be required for some courses. Entry requirements for BSc Veterinary Nursing – applicants must hold a minimum of 4 Highers (Graded BBBB), 3 A Levels (BBC) or equivalent along with required N5 requirements (please check the website/prospectus for more information).

Standard Entry Requirements for HNC and HND courses:

Applicants must hold a minimum of 2 Scottish Highers (Grades CC), 2 A-Levels (Grade DE), or equivalent qualification. Specific subjects may be required for some courses.

Advanced Entry:

Advanced Entry onto SRUC's courses is possible with a range of qualifications such as HNC, HND and foundation degrees. For further information, please contact SRUC's Admissions team.

Equivalent Qualifications

Standard Minimum Entry Requirements are given in terms of Scottish Highers and A-Levels, though a wide range of qualifications are accepted as equivalent. Those offering alternative qualifications such as the Irish Leaving Certificate, Scottish/European/ International Baccalaureate and other international qualifications, should contact SRUC's Admissions team for guidance and advice as to the acceptability and equivalence of their qualifications.

Baccalaureate

International Baccalaureate

Achievement of the IB Diploma is accepted in fulfilment of general entry requirements for degree programmes. Where specific subjects are required, these should have been taken to Higher level.

Higher level English language study within the diploma, along with confirmation of ability to manage the English-taught programme at SRUC in the accompanying reference, will normally satisfy our English language entry requirements. Ideally, however, those speaking English as a second language should sit an IELTS examination prior to application.

Those applying from out with the UK must sit a formal English Language exam as part of the visa process and achieving an appropriate IELTS score (or equivalent) will be one of the conditions of acceptance.

For those achieving IB certificates, we would consider each Higher level subject taken as equivalent to a Scottish Higher in terms of our entry requirements, where Grade 5 is equivalent to a B and Grade 4 equivalent to a C.

While the above holds generally true, baccalaureate students are considered on a case-by-case basis, so we recommend that as much information as possible is provided on application.

European Baccalaureate

Achievement of the European Baccalaureate with a minimum score of 70% is accepted in fulfilment of general entry requirements for degree programmes. Where specific subjects are required, a minimum score of 7 must be achieved in this subject.

Those who studied the Baccalaureate in English may not be required to provide further proof of English language ability – please contact us for clarification. Those speaking English as a second language to whom the Baccalaureate was not taught in English, should sit an IELTS or TEOFL examination prior to application.

Applicants to HNC or HND courses will be expected to pass the Baccalaureate with a minimum score of 60%. Again, a minimum score of 7 must be achieved in any “required” subject.

While the above holds generally true, baccalaureate students are considered on a case-by-case basis, so we recommend that as much information as possible is provided on application.
