LIMIT OF LIABILITY

The Customer will be taken as having acknowledged that a single test does not permit the result to be treated as 100% free of error in every case; and the Customer therefore accepts that the SAC Commercial Ltd's maximum liability to the Customer for loss or damage arising from an inaccurate Report based upon a single test shall be limited to £1,000. If the customer intends to use a Report for a tested animal in a substantial breeding programme, or for any reason requires the SAC Commercial Ltd's maximum liability to exceed the said limit, the Customer must first obtain from SAC Commercial Ltd special terms in writing, which may include (i) a corroborative test (ii) a price above that which would normally apply. Any claim must be brought within the territorial limits of the UK and Eire. I agree to "SAC Commercial Limited and SRUC Standard Terms and Conditions of Contract"
