I agree as a member of **BVDFree** all my BVD test results and the results of all future samples tested for BVD can be uploaded to the BVDFree database and that the BVD test results and BVDFree herd status will be held in the BVDFree database and openly accessible through portals approved by BVDFree (eg Livestock Data Exchange Hub). I agree that samples may be retained on request by BVDFree for further testing and surveillance.

***Note: BVDFree charge for upload PER SAMPLE:**
BVD antigen test: £0.25 BVD antibody test: £0.50
