These directions are suggested for those who do not know the city particularly well.

From the North

Cross the **Forth Road Bridge** and follow signs for the **M9** and **City Bypass (A720)**. Take the exit for the **A720** signposted **Bypass South, Berwick Upon Tweed - A1**. After a few miles, leave the bypass at the **Straiton Junction** and follow signs (left at first roundabout) for **A701** city centre. Proceed as for all routes, below.

From the West

Stay on the **M8** until the roundabout at the end of the **M8** and take the exit for the **A720** signposted **Bypass South, Berwick Upon Tweed - A1**. Leave the bypass at the **Straiton Junction** and follow signs (left at first roundabout) for **A701** city centre. Proceed as for all routes, below.

► All Routes

Once on the **A701** to city centre, continue for approximately 3 miles which will take you through 2 sets of traffic lights (and 2 sets of pedestrian lights). At the third set of traffic lights, which are situated at the bottom of a steep slope, take the left hand fork (Liberton Brae). You will pass the **Braidburn Inn** pub on the left, and the first entrance to the **University of Edinburgh's King's Buildings Campus** immediately after.

Turn left at the traffic lights at the top of the road, following round with the University Campus on your left. Turn left into the second entrance you come to (**Gateway 1**), opposite a Garage. Take the second left (in essence carrying straight on, avoiding following the road round to the right). Head towards the building facing you - over the small roundabout. This is the **SRUC (Peter Wilson) building**. Unfortunately, parking at **SRUC** is extremely limited. We would recommend that you park on **West Mains Road** along the edge of campus (if before 4pm), or in surrounding streets which are unrestricted, unless you have made prior arrangements to secure a visitor parking space.
