

MV/CAE: Imported Animals Application

Information on this form will be stored and processed on a computer. SRUC Veterinary Services complies with the standards set by The Data Protection Act 2018 and GDPR

PLEASE KEEP THE ANIMALS IN QUARANTINE UNTIL CLEARANCE TO ADD THEM TO THE FLOCK IS OBTAINED FROM PSGHS

- 1) I declare that the imported sheep/goats that are to join my MV/CAE accredited flock/herd are from a flock/herd participating in a national/regional assurance programme for MV/CAE control and have the highest level of health assurance within the programme.
- 2) The imported animals are from : *Country (identify).*
- 3) The flock of origin was accredited free of MV/CAE in the country or origin at the time of import under the *Scheme (identify Scheme).*
- 4) Date of Import:
- 5) The transport and import were/will be completed without breach of all rules regarding biosecurity and separation from non-MV/CAE accredited stock (including vehicles, equipment, no shared airspace) as outlined in the rules of the PSGHS MV/CAE Scheme.
- 6) The animals will be blood sampled for MV/CAE between 6 and 12 months after joining my flock.
- 7) I enclose copies of the required documentation:
 - a) Certificate of MV/CAE Accreditation status for the flock of origin at the time of the import.
 - b) Import documents for the animals including Identities/Ear Numbers
