

## **SRUC – Scholarships for international applicants – Terms and Conditions – September 2025/January 2026 entry.**

### **1. Scope of these Terms**

These Terms apply to the following scholarships:

- **Global Citizen Scholarship**
- **Global Excellence Scholarship**
- **Global Provost's Scholarship**

Any other funding/support provided by any party other than SRUC are outside the scope of these terms. Such external funding/support may be subject to conditions and eligibility criteria determined by the awarding external party.

### **2. Application process and eligibility criteria**

SRUC scholarships, bursaries, and awards are subject to separate eligibility criteria and programme offer conditions which must be met. Applicants must also comply with the application process (including deadlines) indicated for each award. Where the number of eligible applicants exceeds the number of available awards, SRUC will select the successful applicant(s) from the pool of applicants who meet the eligibility criteria and other relevant conditions.

### **3. Importance of providing SRUC with accurate information**

You must ensure that your application and any supporting documentation are correct, complete, accurate, and up-to-date. You agree to provide SRUC with any additional information SRUC may reasonably require in connection with your application. Where an applicant submits false, fraudulent, incorrect, or misleading information, SRUC reserves the right to:

- Reject an application for a scholarship, bursary and/or other award;
- Withdraw any offer for a scholarship, bursary and/or award (if already made); and
- Notify SRUC's Admissions team.

#### **4. Award and payment**

SRUC will notify applicants of the outcome of scholarship application as part of the admissions process. The communication will set out the sum and payment terms relevant to the scholarship, bursary, and/or other award and any additional conditions which require to be met. You may be required to notify SRUC in writing of your acceptance by a certain date indicated in the offer letter. Feedback cannot always be provided on unsuccessful applications; however, where possible, feedback will be given.

#### **Postgraduate courses**

The above scholarship discounts and offers will only apply to one academic year (the student's year of entry) and will not be extended to any other year of study undertaken by the recipient.

#### **Undergraduate courses**

The above scholarship discounts and offers apply to the year of entry and any subsequent years of study undertaken by the recipient, provided the student successfully completes the academic requirements necessary to progress to the next academic year. Should the student fail to meet these requirements funding will be withheld by SRUC.

#### **5. Change in your circumstances**

You must notify SRUC promptly if there are any changes to your circumstances relevant to your application, your eligibility, and/or any award made by SRUC. SRUC reserves the right to withdraw any offer or cease the payment of any award, as appropriate, where your circumstances change. Examples include, but are not limited to:

- No longer meeting the eligibility criteria or other conditions;
- A change of fee status; and
- Change of SRUC programme.

#### **6. Withdrawals and repeat years**

If you withdraw from your programme of study, you will no longer be eligible to receive SRUC scholarships, bursaries, and other awards. Where the award is a tuition fee waiver or a payment towards SRUC tuition fees, the SRUC Tuition Fee Refund Policy shall not apply to any portion of tuition fees paid for by the relevant award. If you are required to repeat a year of study (at any point throughout the duration of your study), SRUC reserves the right to stop making payment under

any scholarships, bursaries, and/or awards. Scholarships which are awarded per year of study will be reviewed on an annual basis by the SRUC Registry team in conjunction with the relevant School. If you do not achieve the outcome at the end of any year, course, or module, as required to maintain any awarded scholarship, bursary, and/or other award, then SRUC reserves the right to stop making payment under relevant scholarships, bursaries, and/or awards. SRUC will not fund any re-sits.

## **7. Deferral**

Deferrals are considered on a case-by-case basis at the discretion of SRUC. Applicants who wish to inquire about deferring their scholarship offer must contact SRUC as soon as possible to have their circumstances assessed by the Admissions Team.

## **8. Multiple awards**

### **General**

If an applicant or an SRUC award recipient has either been awarded funding or support from external third-party sources (for example, government scholarship bodies or non-governmental organisations) or has been awarded one or more SRUC –awards, such applicant/recipient must promptly notify SRUC of this. This may impact their eligibility for an award. SRUC reserves the right to contact applicants directly if required.

### **Multiple awards in respect of SRUC tuition fees**

Applicants are not eligible for more than one SRUC international scholarship. If an applicant has an externally funded scholarship that covers part of the full tuition fee, this can be awarded alongside one or more SRUC scholarships (provided that the total of the awards combined does not exceed the total SRUC tuition fee). If an external third-party award covers the full SRUC tuition fee for the academic year, then the individual in receipt of such award is not eligible for an SRUC award in respect of tuition fees for the same academic year. If an applicant has been awarded a discount from SRUC tuition fees through an external third party, then this does not prevent such individual from qualifying for an SRUC award in respect of tuition fees for the same academic year, provided that the total of the awards combined does not exceed the total SRUC tuition fee. Sponsorship letters are required as evidence of payment. In the case of partnerships, only one award may be granted in respect of tuition fees in each academic year. In these cases, the

highest value award will apply. Other applicants may be eligible for more than one SRUC award, which will be assessed and determined by the SRUC Admissions Team.

## **9. Other costs**

Award recipients are responsible for all costs and expenses relevant to their study, accommodation, including any remaining tuition fee payments (where the scholarship covers a portion of tuition fees only), accommodation, meals, books, travel, etc. You may be requested to provide evidence that you are able to meet any remaining tuition fee payments and/or provide a deposit or pre-payment for your programme of study.

## **10. The award is personal to each recipient**

Award recipients may not transfer their award to any other party.

## **11. Error and non-compliance with these Terms**

SRUC reserves the right to withdraw any offer or cease the payment of any award, as appropriate, where:

- An offer has been made in error;
- The applicant/recipient breaches these Terms or any other conditions relevant to the award.

## **12. Review of SRUC decisions and complaints**

SRUC decisions in respect of awards are final and binding, unless one of the following apply:

- A complaint is submitted, using the SRUC complaints procedure. SRUC will only accept complaints where there is evidence that SRUC has not followed procedure in processing the application; or
- In respect of automatic awards (i.e. awards made on the basis of course/programme application in respect of study at SRUC and not requiring a separate application form), SRUC will review eligibility if an unsuccessful applicant asks SRUC to do so. You are required to set out reasons in writing why you require a review. This review process may happen post-matriculation. However, where a decision has been made based on the applicant not meeting the scholarship requirements, there is no appeals process. In these cases, the SRUC complaints procedure is to be followed.

### **13. Your personal data**

SRUC may collect personal data as part of the application process and will provide a privacy notice setting out further information regarding SRUC's processing of such personal data at the time of collection.

**Correct as at October 2024 for entry in academic year 2025/26**

(Minor amendment added June 2025).
